# Lakota

The name **Lakota** means ‘friend’, and this soft, slouchy hobo bag will quickly become yours. The quality leather molds beautifully to your body, adding effortless chic to your casual looks. Whether holding just your bare essentials or packed full on a day you ‘didn’t mean to buy anything’, the roomy Lakota is your ideal companion.

**Luvana** means 'little beloved one', and once you've tried this versatile classic, it will become one of your prized possessions. Crafted using the finest leather, it fits snugly under your arm whether you're out having cocktails or running around with the kids. Perfect for when you need a bag but wished you didn't have to carry one!

Lakota, Luvana and Lucia are available in black and four metallic colours: Grey, Blue, Bronze and Cognac

The ingenious **Lucia** make-up bag is crafted using the finest leather on one side, and is totally transparent on the other, offering clear and stylish benefits for anyone on the move. The name Lucia means 'bringer of light', and with this clever mix of style and practicality, you'll never have to search for your favourite lipstick again.
